To Whom It May Concern:

I was pleasantly surprised to have received an unsolicited call from Simon Weiser of US Asset Finders Inc. informing me that various institutions may be holding lost assets belonging to me. Mr. Weiser offered to manage the claim process for a reasonable percentage of the recovery. Within a few months, I received the recovered lost assets due to Mr. Weiser's efforts.

Throughout the process, Mr. Weiser was very professional, transparent, and trustworthy. His services are topnotch and he is very familiar with the requirements for asset recovery.

I highly recommend US Asset Finders and Simon Weiser for recovering lost assets held by governmental entities and other institutions.

Best Regards,
